STEP 6 OF 7: Enter the email address used for the account and password.

The screenshot shows the watchTVeverywhere website interface. At the top, the logo "watchTVeverywhere" is on the left, and the "CPWS POWERNET" logo is on the right. Below the logo, there are navigation links: "home", "register", and "learn more". The main content area has a dark background with a wood-grain texture. In the center, there is a white-bordered box titled "Log In". Inside this box, there are input fields for "Email:" and "Password:", followed by a "Login" button. Below the button are links for "New Users Register Here", "Forgot your password?", and "Forgot your email used?". At the bottom of the box, it says "Thanks for using watchTVeverywhere." and a disclaimer: "Please remember that watchTVeverywhere can bring TV programs to your computer or mobile device, but it does not include unlimited bandwidth. By utilizing this service, you may incur additional costs from your cellular or broadband provider. Make sure you understand the terms of your service plan prior to use." At the very bottom of the page, there is a footer with the text: "Columbia Power & Water Systems not your TV provider? [Click here](#). ©2014 Columbia Power & Water Systems. All rights reserved. This website may contain links to adult content. watchTVeverywhere brought to you by Columbia Power & Water Systems | www.cpws.com | 931-388-4833 version 4.0p".

STEP 7 OF 7: You should see the portal with the different programmer icons.

From this screen, you may click on the icon for the programmer you wish to view.

The network programmer you select will request you to “select your tv provider”:
select **Columbia Power and Water Systems**.

Many of the programmers have apps that may be downloaded to your device. Most of the apps will usually remember your login information after initial.
